

# Ballona Creek Renaissance

## Earth Day Cleanup

### with LA County Supervisor Holly J. Mitchell

Saturday, April 23, 9am-noon

4995 S. Centinela Ave., LA 90066

biking is encouraged  
no rain date is scheduled

BCR is proud to partner with District 2 Holly Mitchell for this 52nd Earth Day celebration, keeping pollution out of our creek, ocean, and beaches.

As with all creek and coastal cleanups, participants under 18 need **waiver forms** signed by a parent or guardian – find these either on-site or [CLICK HERE!](#) Adult volunteers sign waivers on-site.

Looking to earn **community service** hours? Bring your forms for us to sign! (we also provide these)

We recommend bringing sunscreen, hats, close-toed shoes, reusable water bottle and gloves. Water, gloves, grabbers, buckets, rakes and educational displays will be available at the event. Street parking is available.

More information available on [www.ballonacreek.org](http://www.ballonacreek.org)
